.: IMPORTANT INFORMATION .:

Due to the war caused by Russia in the Ukraine, and the possible threat of SARS-Cov-2 coronavirus causing COVID-19 disease the Organizing Committee informs that:

XIII International Symposium of Young Researchers TRANSPORT PROBLEMS will be held in 2024 on 17-18 June in a mixed offline (traditional) & online way.

For online way, the participant must obtain approval from the Chairman of Scientific Committee.

The organizers, e.g., depending on the epidemiological or military situation, reserve the right to introduce the entire online symposium.

The organizers propose to restrain from choosing the form of participation in the symposium and paying the symposium fee until March or April 2024, because then the possibility of going to conferences will be better known. At the same time, we hope that we will meet at the traditional symposium.
